QUIVERA...

I don't know really what to say except
 you are one of my very best of friends and I'll
 forever treasure your friendship. I've really made a lot
 of mistakes this year, but you are one of the ones that
~~didn't~~ made we had a ball with our little escapades and never knew
 how much we had in common. Please let's all together. Boy!

Land of golden promise"

A legend, told and retold countless times around campfires that have been cold for centuries . . . of a great warrior chief who arrived at the confluence of the Kaw and Missouri rivers and beheld a beautiful and abundant land, and thrust into the ground a stone tipped lance bearing two feathers from his war bonnet to mark the boundary, and he called the land "QUIVERA", meaning, "land of golden promise."

The early historic inhabitants of this area were known as QUIVERA Indians, who lived in this valley and hunted on nearby plains. Later, they were succeeded by other tribes, which included the Wyandottes, who gave their name to our county and school.

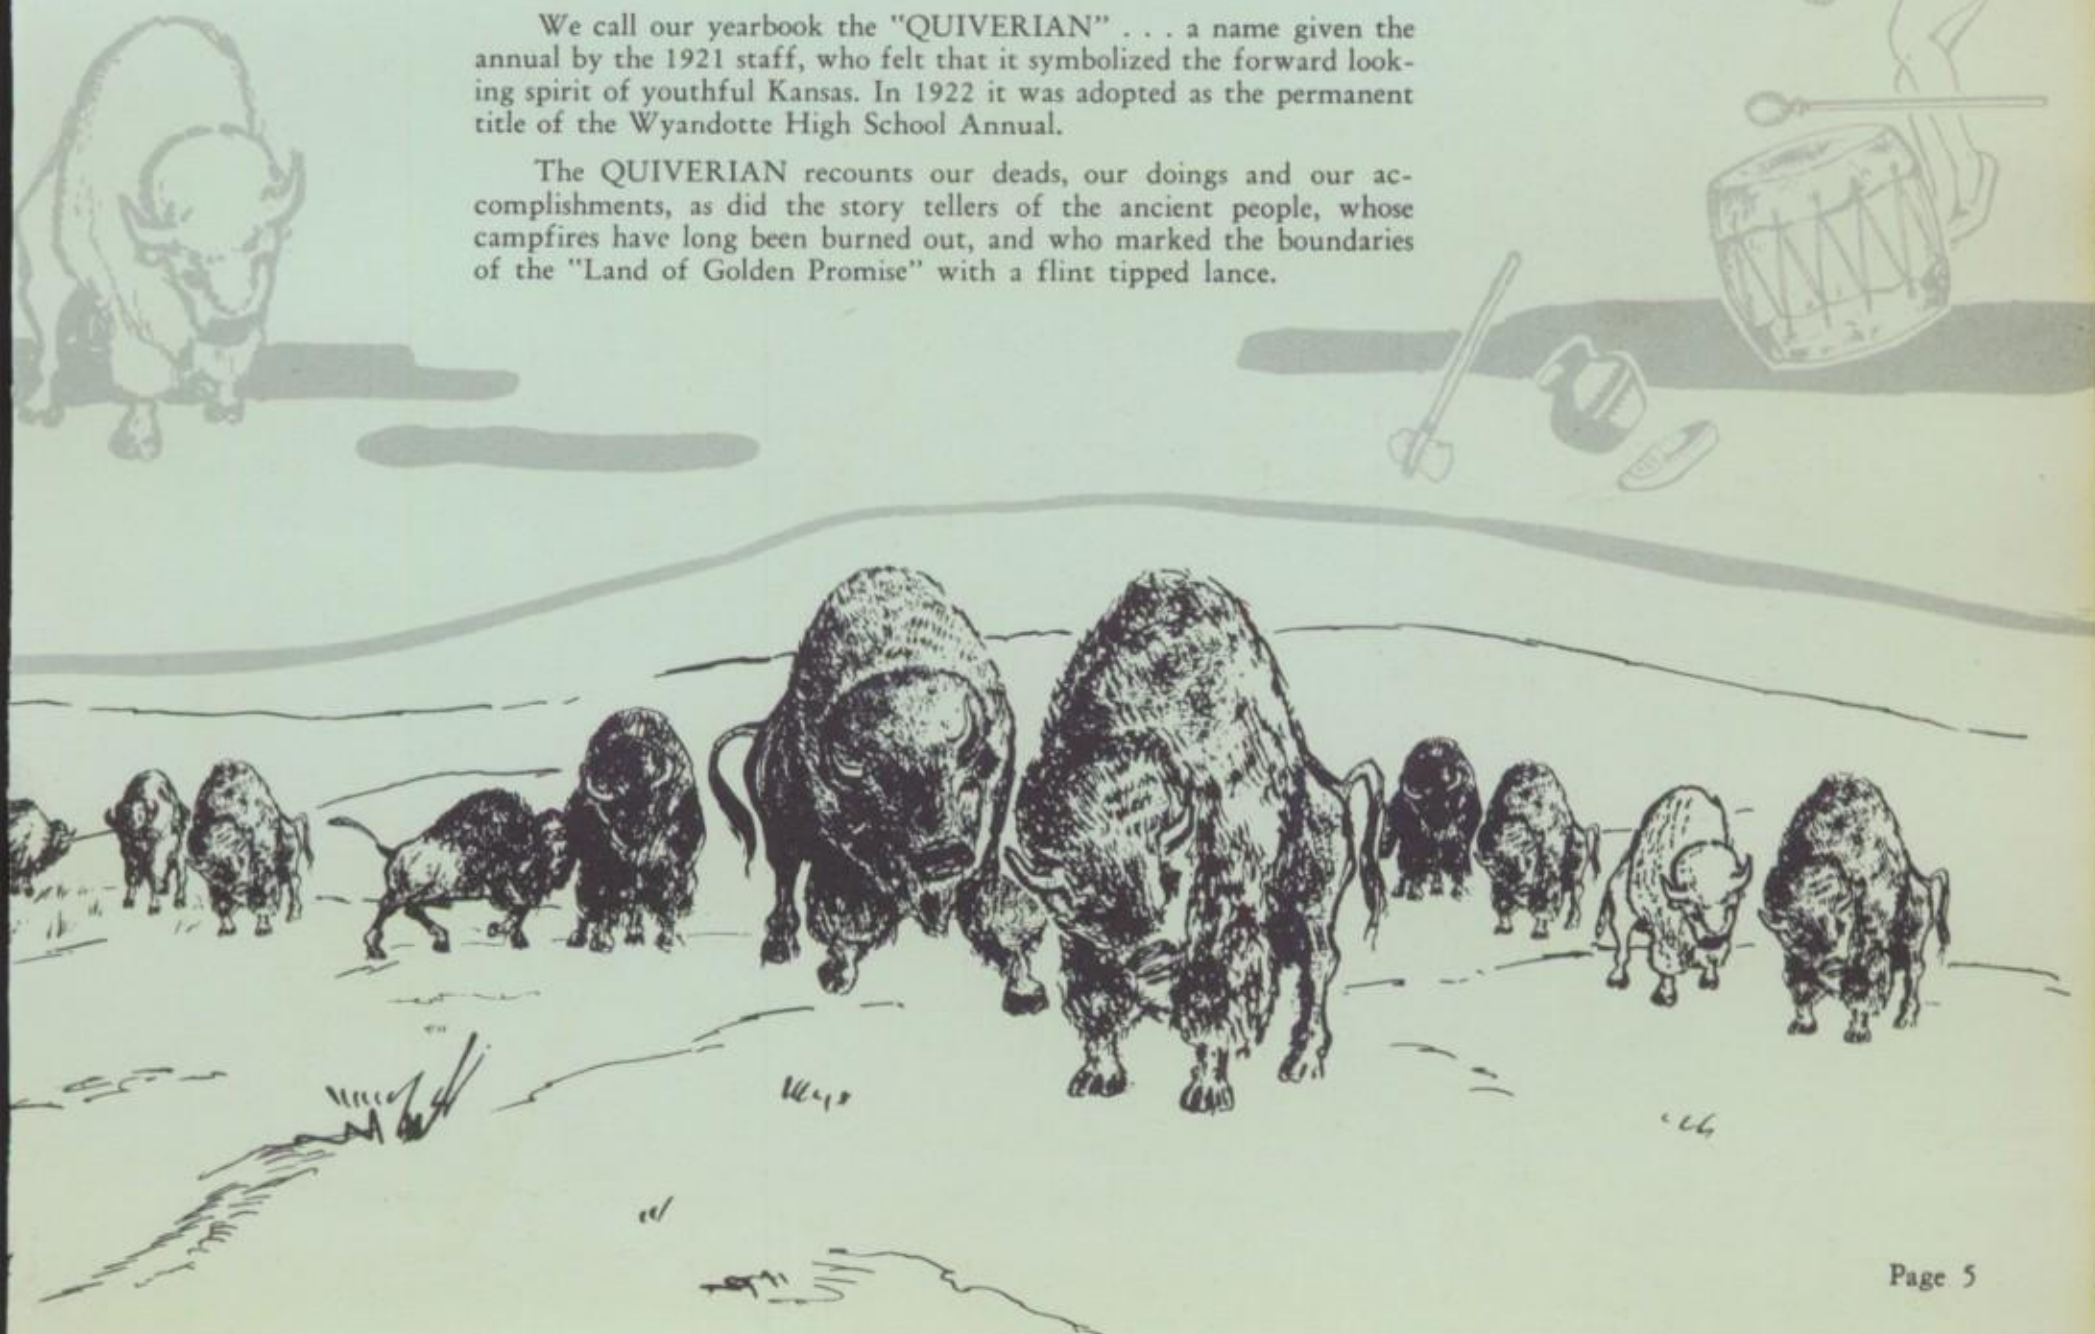

The Spanish explorer, Coronado, was probably the first European to see the famous land of the Quiveras. He found no gold, and returned to Mexico in disappointment.

Since the Quiveras, the settlers and farmers who made this land their home as America moved westward, were to discover the true meaning of the "Land of Golden Promise."

There is little left to us now of the neolithic culture of these ancient inhabitants but old ghosts of the past. The great hunts, the migration of the great herds of buffalo, the throb of tom-toms, feasts and dancing, are no more . . . not even in the memory of the oldest now living, but these Indians have left to us their names. Names of places . . . towns and rivers, and we have adopted them as our own. They also gave us, together with a few remaining artifacts, a primitive and symbolic art that has been integrated into the architecture of our school.

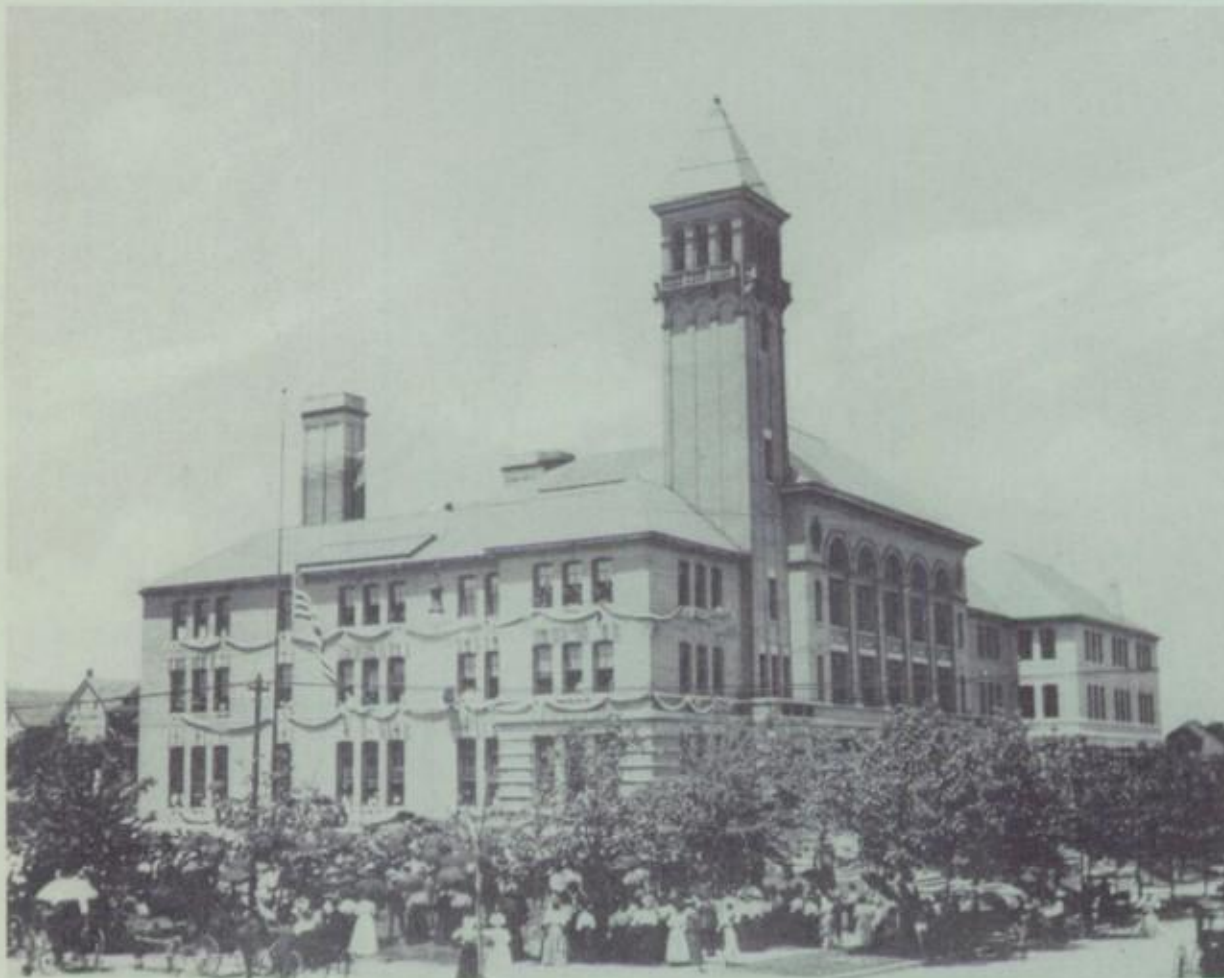

We call our yearbook the "QUIVERIAN" . . . a name given the annual by the 1921 staff, who felt that it symbolized the forward looking spirit of youthful Kansas. In 1922 it was adopted as the permanent title of the Wyandotte High School Annual.

The QUIVERIAN recounts our deeds, our doings and our accomplishments, as did the story tellers of the ancient people, whose campfires have long been burned out, and who marked the boundaries of the "Land of Golden Promise" with a flint tipped lance.

Wyandotte then...

Wyandotte High School has an interesting history. The first school founded in 1878, was the Wyandotte Academy, a tuition school located where the court house now stands. It was commonly known as the Plamer Academy. In 1866 a free high school department was established in two of the eight rooms of the Riverview Grade School at Seventh Street and Pacific Avenue. In 1888 the High School was moved to a ten-room brick building that had been

vacated by the Palmer Academy. This building later became the Central Grade School. The school was removed to Seventh and Riverview in 1890. There was little activity in the years 1888 and 1899, as a new building at Ninth and Minnesota was under construction, and delays prevented occupancy until October 2nd, 1899.

A North Wing was added to the School in 1907 and a South Wing was added in 1910, to meet the need of a growing community.

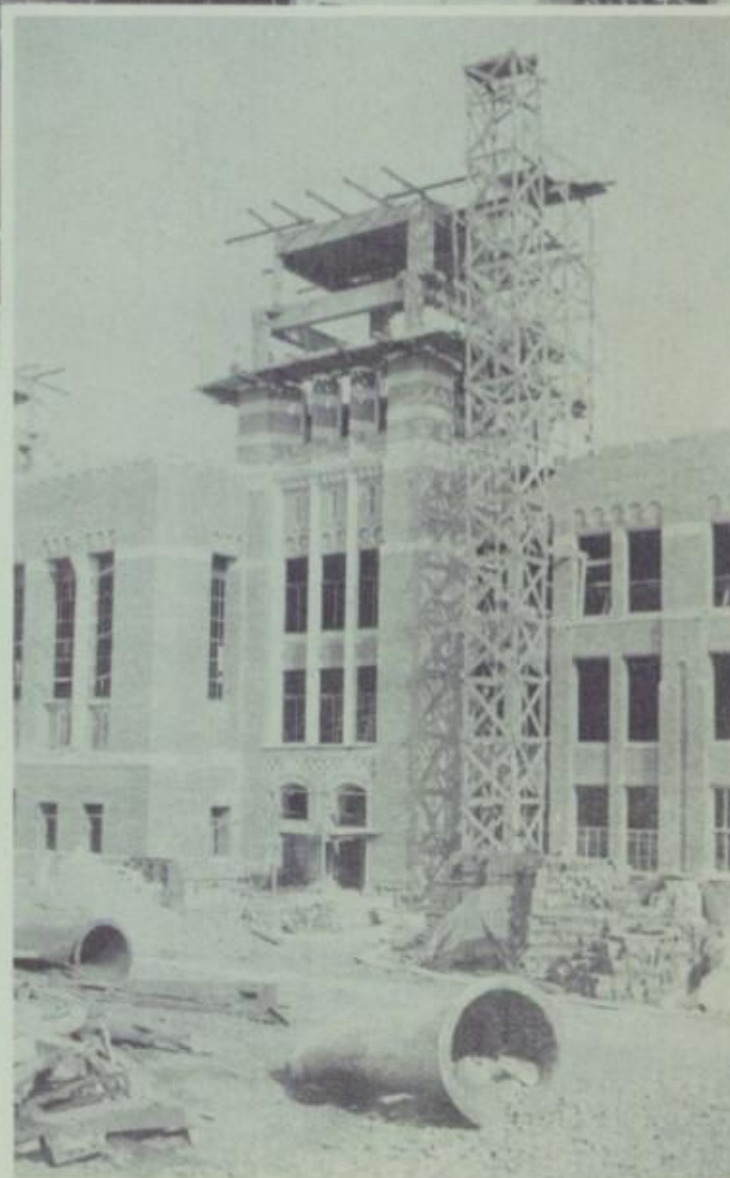

The Pantograph was started in 1917, but the first issue did not appear until January 23, 1920. In 1926 the Kay Cees were organized.

On the night of March 3rd, 1934, Wyandotte High School was destroyed by fire. Through the night the firemen battled the flames in vain, for by morning only the walls remained. The building was a complete ruin, and new plans to construct a new and larger school were immediately made.

The new Wyandotte High School was constructed in 1935, the result of immediate need, a farsighted community took in to account the long range requirements of an expanding city.

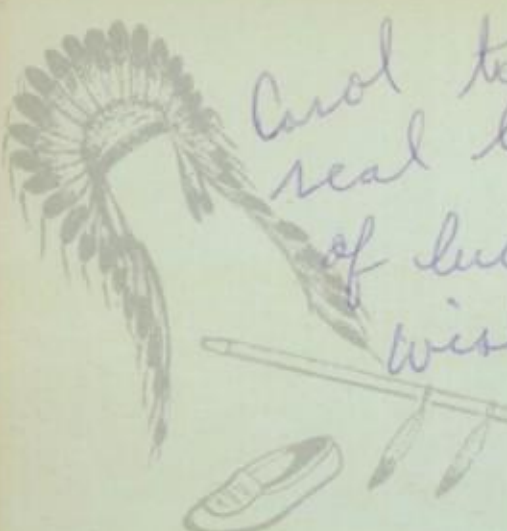

Wyandotte High School is a model of architecture and functions as a most important center of community educational activity. Competently administered and staffed by excellent instructors, the achievements of Wyandotte High are noteworthy.

The present building takes form.

the towers of Wyandotte...

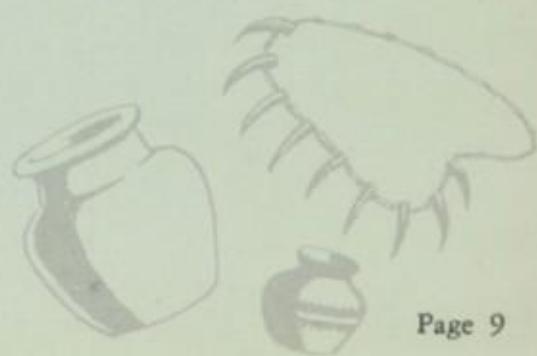

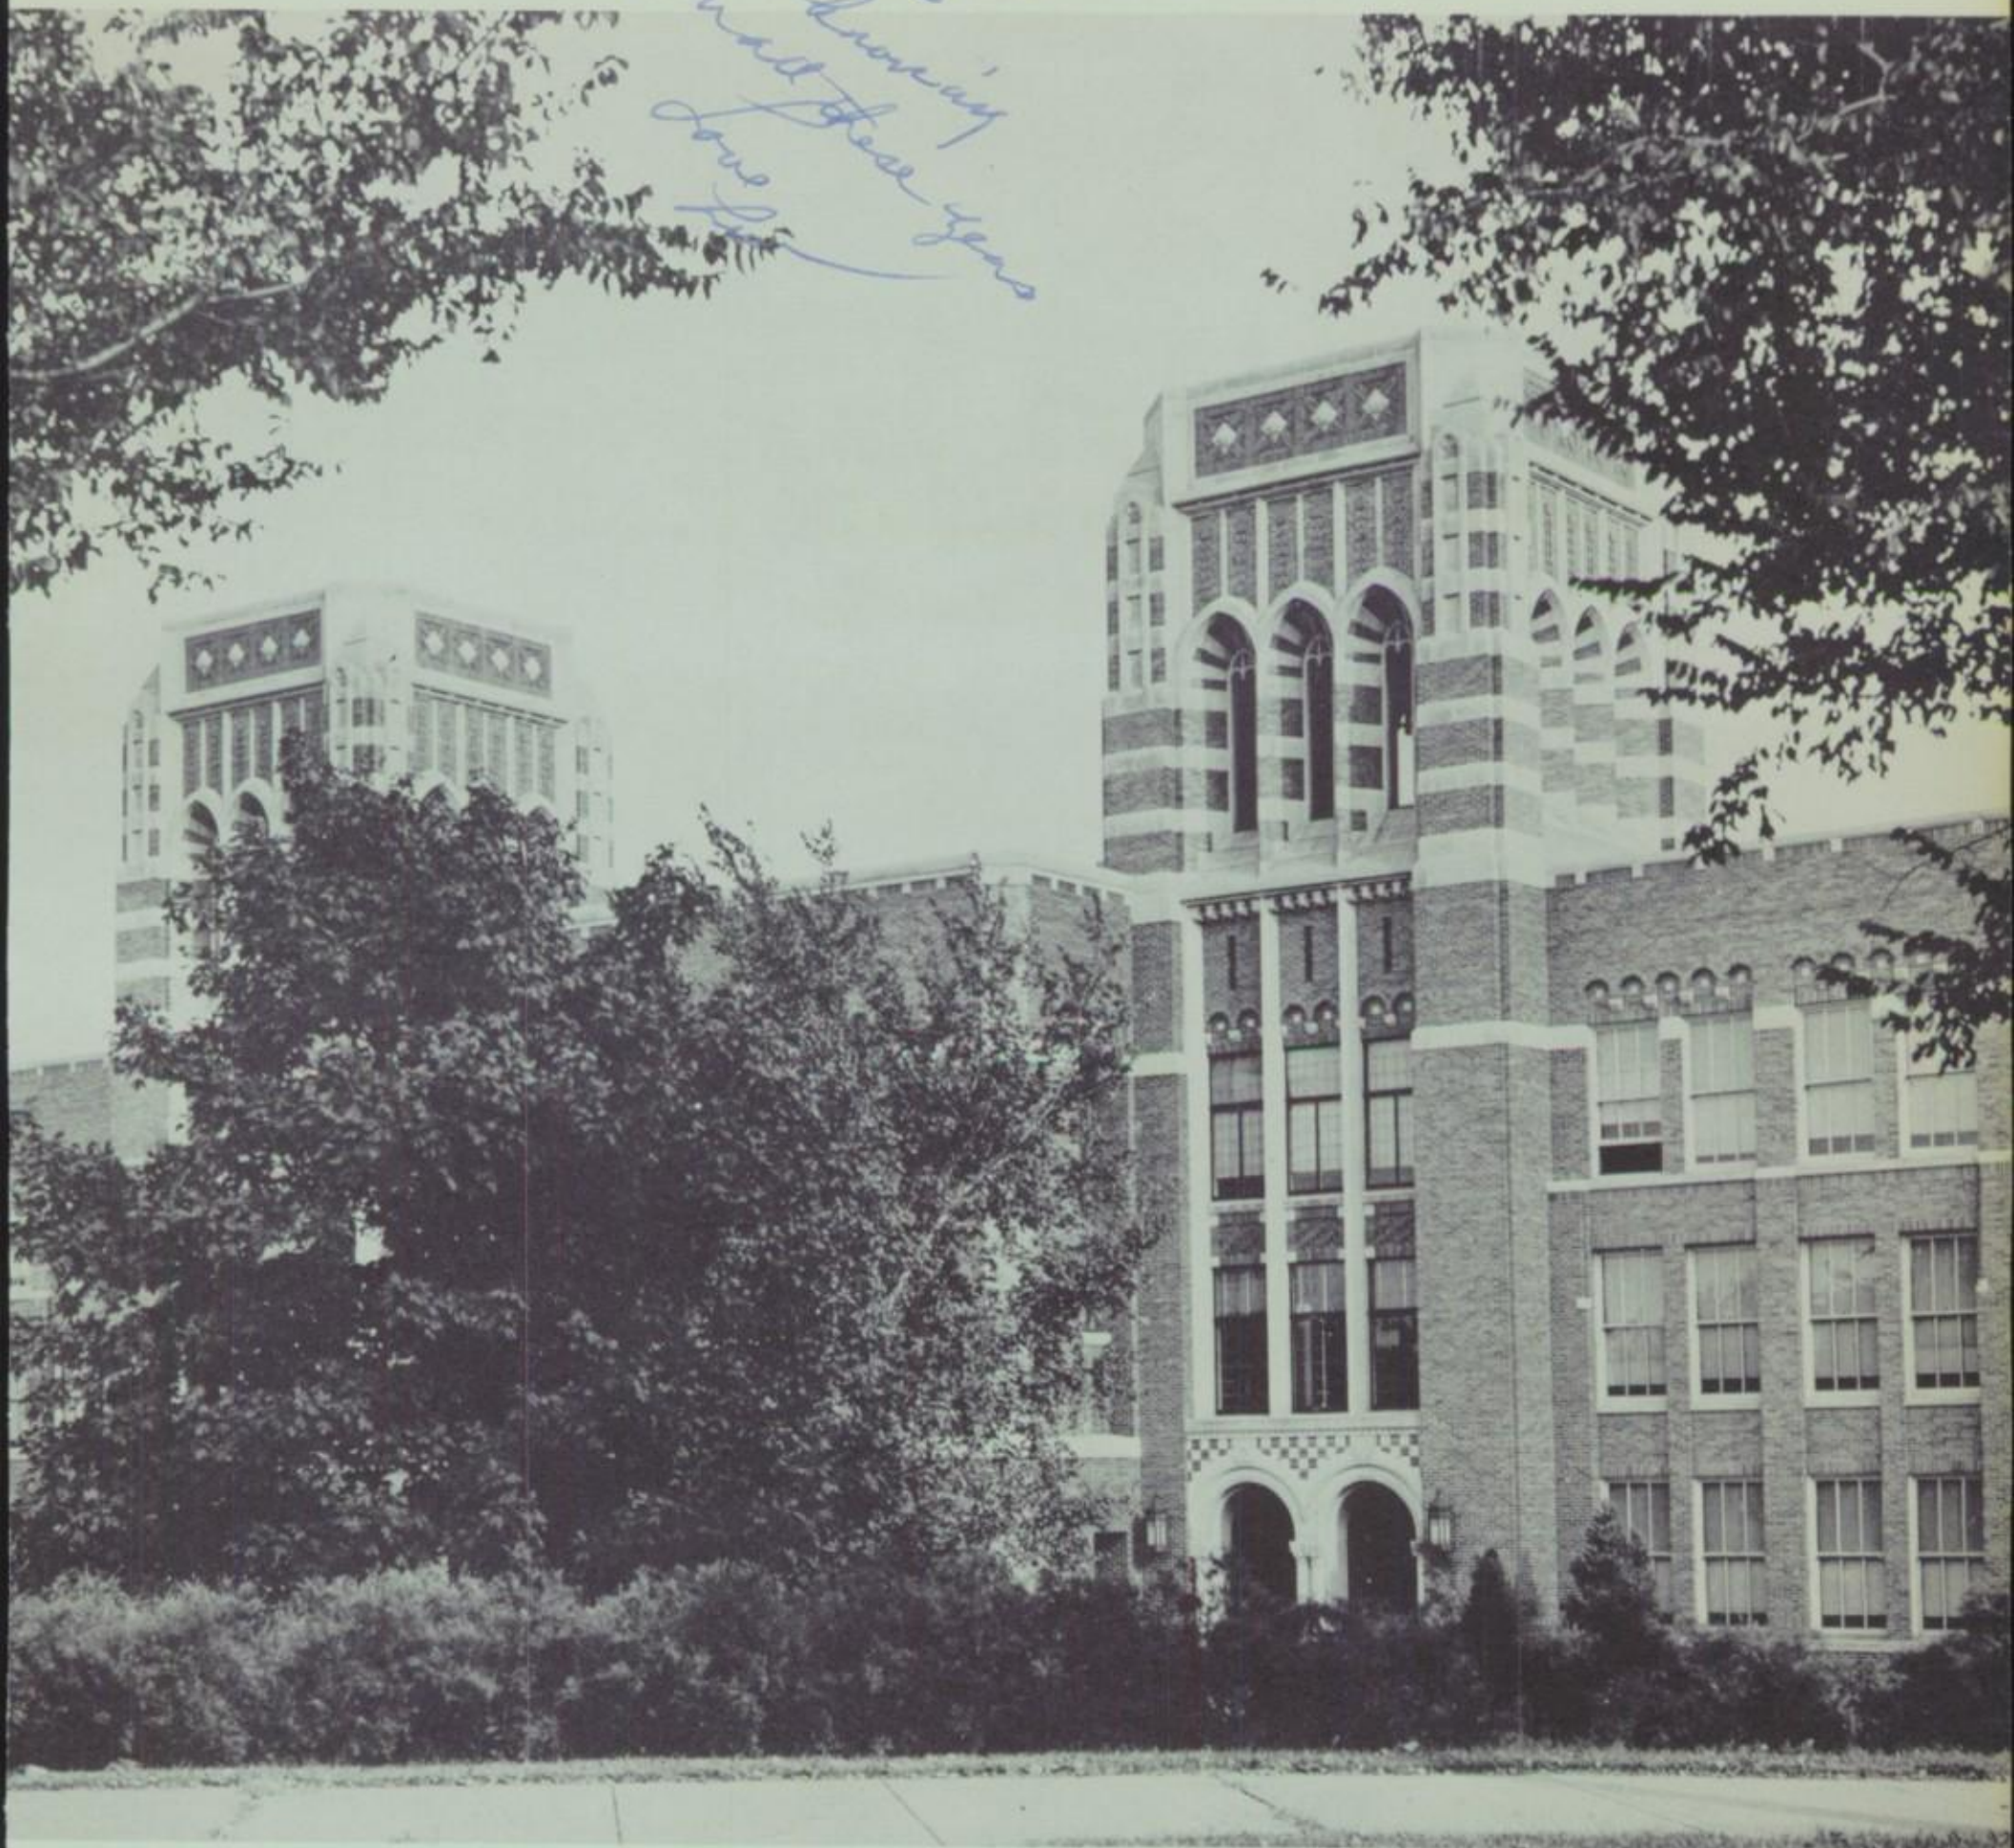

From the verdure of carefully landscaped grounds, rise the twin towers of our school building, into the blue of a Kansas sky. The towers are high, because the building is large. They are inspiring, interesting, intricate in design and artistic. Employing a symmetrical Indian motif, the brick and limestone of the towers are dazzling in the light of a western sun. They identify Wyandotte High School.

Principal J. F. Wellemeyer proposed the west tower as representing knowledge, and the east tower as representing character. Principal Wellemeyer explained it thusly; the west was a land of pioneers, eager and ambitious to achieve and acquire . . . and they were true pioneers in arts and sciences as well as many newer branches of learning. The east suggests maturity, stability of character, refinement, culture and inspiration.

The imposing towers of Wyandotte High School, beloved by all who have classes here, are a reminder that here is a segment of America, youthful and exuberant today, but tomorrow . . . mature and intent. From these young people will come the guardians of our heritage, our culture and our freedoms, and greater achievements than we have ever known will add new honors and dignity to all mankind.

it is our very good fortune

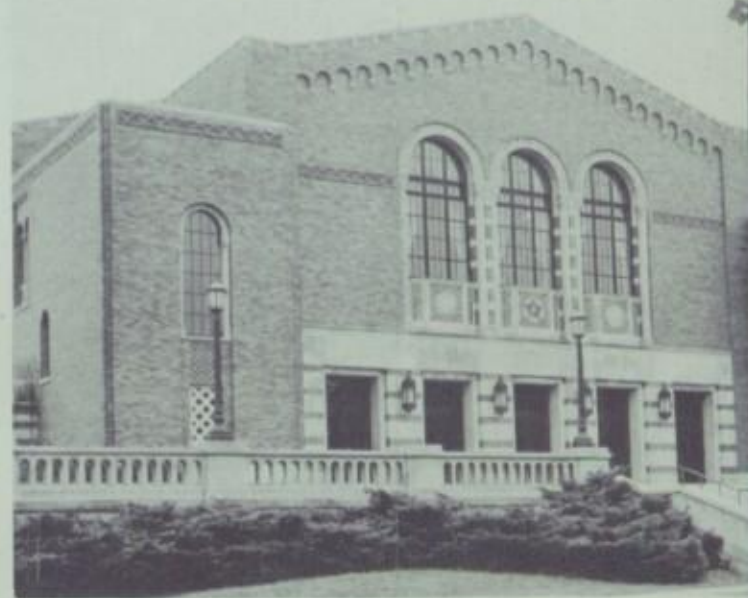

There are some things made by the hand of man that seem to be the exceptional . . . in concept, execution and function. Perhaps such things are the product of an unusual stimuli of unusual people, but very often there is more. A need, toward which is directed . . . talent, ability and intellectual integrity, together with determination to attain a goal and pride in achievement.

Our own Wyandotte High School is certainly one of the unique achievements of this region. There are not many High Schools that can compare with it. There are perhaps some that are larger . . . not many . . . but, it would be very difficult to find one that is an equal.

Built in a time when great skills and talent were very readily available, moreover, diligent and eager . . . our school reflects a true greatness and

integrity that belonged to the hands of those who fashioned it. And, there must have been a genuine pride at the finish.

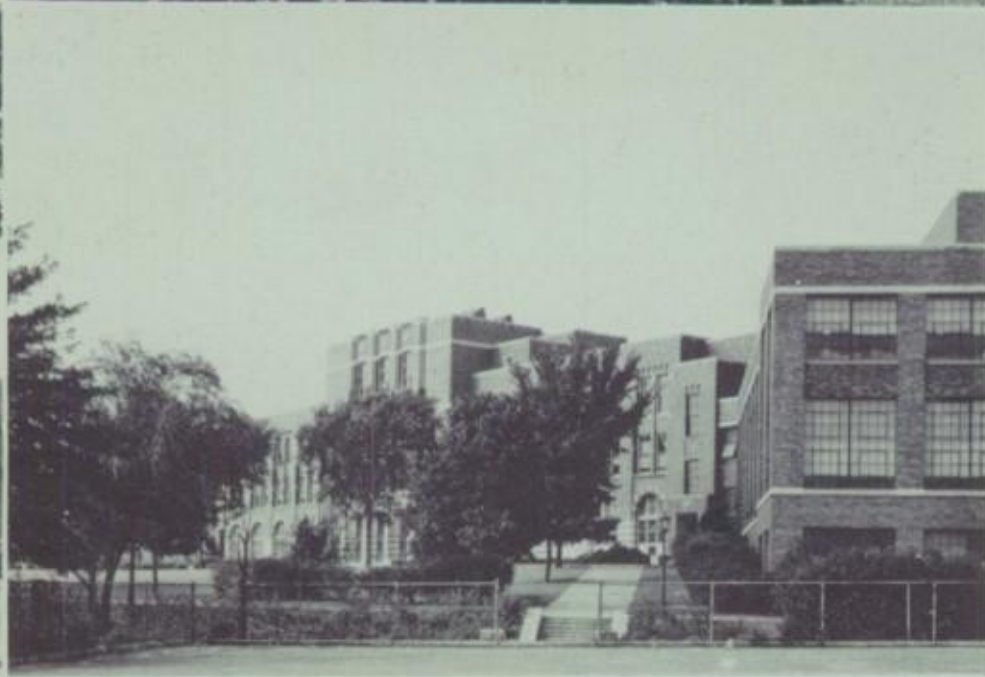

A visitor can see at once that here is a great work. Great because of the fine materials that went into it, the outstanding talents of designers and craftsmen that moulded it into its present form. It was properly conceived and honestly built, antici-

pating future needs, and it has been said by those who have the right to say, that this marvelous school building could probably not be reproduced even if the need existed. It would be almost impossible to assemble enough craftsmen with the old and honored skills to duplicate what we now have.

Beautifully landscaped, the grounds and buildings are stately and magnificent with each season, and truly, our community can point with pride to Wyandotte High School as the cultural asset of greatest stature for many a mile around.

J. Clyde Hume

J. Clyde Hume was the vice-principal of Wyandotte for 32 years. He entered the teaching profession in 1922 at Bentley, Kansas. Then he accepted a position as principal and coach of a high school in Springer, New Mexico. Wyandotte needed him, and he joined the teaching staff here in February of 1927. Mr. Hume taught English and mathematics and gave intelligence tests. Later he was selected to fill the vacancy of vice-principal Smith.

After many untiring years of service, Mr. Hume retired from Wyandotte in 1959 because of poor health. He always had a friendly smile and a helping hand for everyone. We want to extend our thanks to Mr. Hume for all his many services and to wish him all the happiness he deserves.

Dear Carol,

Well, we are at Wyandotte and it just doesn't seem possible that we are graduating this year. We have had a blast this year and hope we can continue to do so. Carol, you have a darling personality and will go very far in life. I wish you all the very best, happiness, and luck possible. You are a great gal & made a darling leader. I hope we can get to continue this summer. I know we'll have a real blast. Good luck & love to one of the best.

Sincerely,
Jackie

The Student Council of Wyandotte High School is strictly a service organization. Toward this goal the Council is active in as many student activities as seem feasible or desirable.

Specific examples of the above were the operation and organization of the Lost and Found Service, the collection of a Thanksgiving offering for the Life-line Mission, the sale of the furry "bulldogs" for the P.T.A. fund raising project, the sponsoring of four mixers throughout

the school year, the direction of "Know Your Job Day", and the representation of Wyandotte at the State Traffic Safety Conference.

The Council is composed of one representative from each homeroom. Much credit is deserved by the members, by their sponsor, Mr. Kyle, and by the Council Officers. This year's officers are: Ed Kriss, president; Byron Loudon, vice-president; Sharon Moore, secretary; and Bill Leonard, treasurer.

Wyandotte's outstanding junior class has about 660 peppy members. These talented students have proved that they are interested in almost everything. This year their outstanding activities, under the guidance of Miss Mary Crown, were the class party, selection of the class ring, and the Passing of the Robe Ceremony. With this ceremony the junior class of 1960 received all the joys and responsibilities of being the seniors of 1961.

About 700 "green" sophomores entered Wyandotte's halls in 1959. The Girls' League is the largest organization at Wyandotte. Every girl automatically becomes a member when she enters Wyandotte. The Girls' League sponsors many activities during the year which keep all of the girls interested and enthusiastic about the activities of our school.

The first of these activities is the orientation for the Sophomores to introduce them to some of the faculty members and to take them on a tour of Wyandotte. Next, is an assembly early in the year to acquaint the girls with the clubs at Wyandotte. This is followed by a sack-nick in the fall, which is held at Loose Park, where the girls enjoy many outdoor games. The next event of the year is the annual Christmas Formal, one of the most memorable moments of the year. This year, being leap year, the Girls' League and the Art Club

sponsored a Leap Year Dance for the entire school. An assembly was held, the purpose being to introduce the candidates for next year's elections. In the spring the Mother-Daughter Banquet was held for Juniors and Seniors and their mothers. Good food, entertainment and the installation of officers were the important features of this occasion. The Girls' League also sponsors at least one mixer during the year.

The Girls' League is under the able direction of Miss Helen Barnett, who is helped by Mrs. Arnold, Miss Cosner, Miss Hughes, Mrs. Millard, and Miss Thomas. The officers for this year are Karen Daly, President; Marilyn Mahale, Vice-President; Marcia Porter, Secretary; and Sharon Moore, Treasurer.

The only Christian Service Organization for boys at Wyandotte is the Hi-Y Club which was organized in 1920. The Hi-Y movement was started at Chapman, Kansas in 1889. Our Hi-Y Club has given 23 years of faithful service to Wyandotte promoting the annual talent show, handling the second-hand book store, sponsoring the check stands in the auditorium, operating the concession stands that appear at our athletic events. The sponsors are Mr. Marion Divelbiss, Mr. L. L. Plummer, Mr. K. I. Stubblefield, and Mr. John Goode. Officers for the first semester were: President, Larry Butcher; Vice-President, Jerry Werp; Secretary, Bob Sillman; and Treasurer, Jack Swender. Second semester officers are President, Brian Ellis; Vice-President, Jerry Werp; Secretary, Bob Sillman; and Treasurer, Larry Butcher.

Any girl interested in swimming as an extra-curricular activity throughout the school year may try out for the Splash Club. The most experienced swimmers belong to the Splash Club and the first-year swimmers to the B-Club. Meetings are held at least once a week during the year and life-saving

classes are offered in the spring. This year under the direction of Miss Ardis Hill the clubs produced "Aloha Alaska," a swim-variety show. Officers of the Splash Club this year are: Barbara Glasgow, president; Pat Converse, vice-president; and Linda Fulgum, secretary-treasurer.

After school activities are many and varied for girls of Wyandotte. The Girl's Athletic Association gives girls a chance to participate in many sports including basketball, softball, volleyball, swimming, and small games. The sponsors for G.A.A. this year were Miss Sue Hagerman and Miss Ardis Hill.

The Juniors' and Seniors' combined total of 93 members beat the Sophomores who had only 89. These girls have an opportunity to earn letters. A

large letter "W" requires 800 points, while a small letter "W" only 400. At the end of the year gold pins are awarded to the top 4 girls earning over 1200 points.

The officers for G.A.A. include: Carolyn Hamilton, president; Margaret Parker, vice-president; Betty Ball, secretary; Judy Wiley, treasurer; Carol Seldomridge, Senior manager; and Nancy Painter, Sophomore manager.

Dear Strick -

Now that the time has finally come to say, how I feel I really don't know where to begin. First of all I think you are one of the greatest girls I knew and your winning smile is your greatest asset. Strick you are so understanding and have put with so much from me yet we are still go friends. I think we really have a mutual understanding that not many people possess. Strick I hope things will work out for us next year and I know we will be of help to you. I hope may all your hopes and dreams come true. Around you know who I'm sure things will work out. Be good and let's never let our paths part.

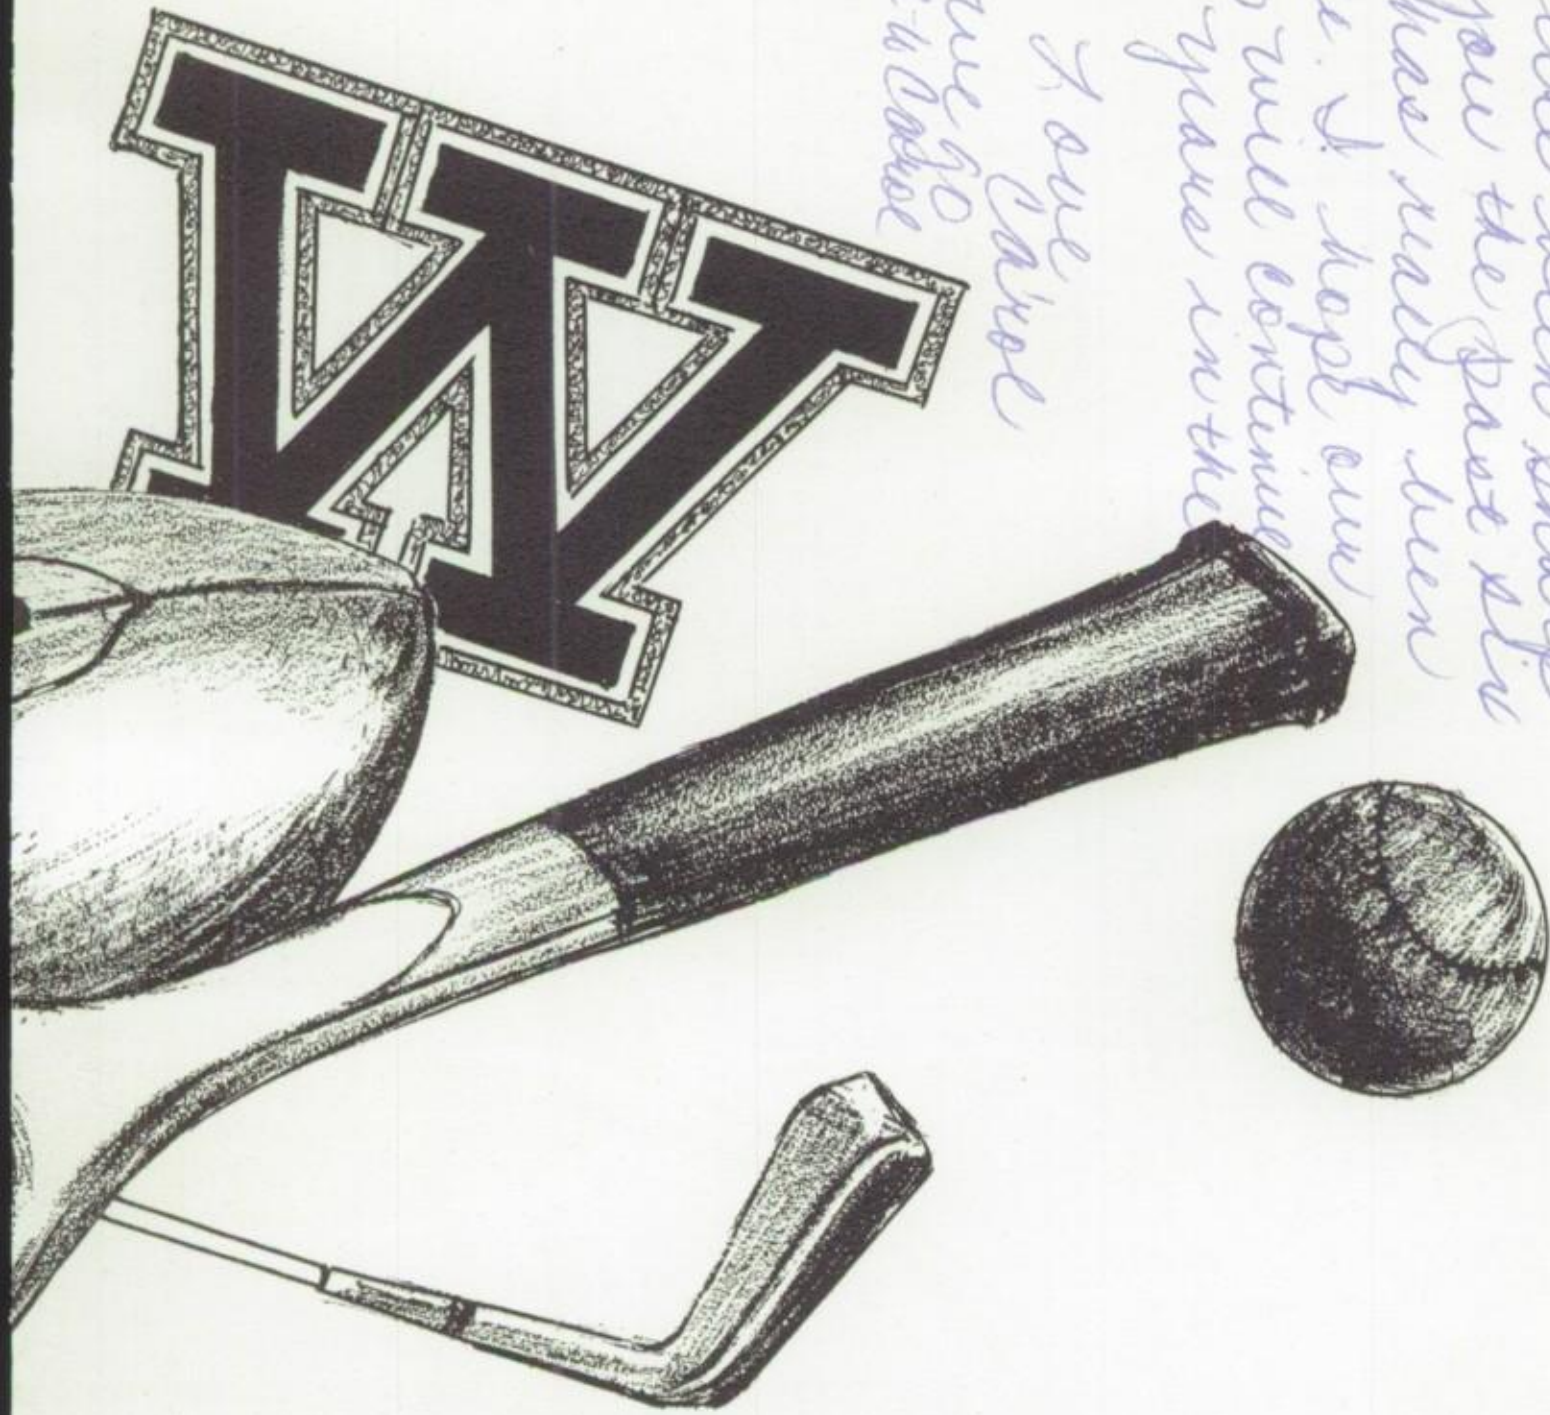

Love always,

Jennie Stanton

Dear Arthur -
 Now more than ever
 I know I will be spending
 a lot of time at H. V. with
 you next year. I wish
 you could be with me
 and stand another year
 as at last thinking you
 and I will be together (3 by the 7's)
 It has been the past six
 years. We have really been
 a pleasure. I hope our
 friendship will continue
 for many years in the
 future.

I am

sunflower league football champs

by Shirley Lorton

Wyandotte, wrapping up its 41st football season, compiled an impressively successful record of 7-1. The team, which was ranked 5th in the state, brought home the title of Sunflower League Champions for the 3rd consecutive year.

Since the traditional opener with Central High was dropped, Wyandotte began its grid season in a home game against Chanute. (It was played on the Ward Field, since our own field was still under repairs following the Wyandotte Centennial.) Bob Nickels scored first by skirting left end; Gerald Hay tallied next, powering his way 2 yds. down the middle; Don Beal made the 3rd and 4th touchdowns—on a 10 yd. run, and a 35 yd. run. Wayne Loving and Paul Serwon, defensive standouts, were injured for the rest of the season. Sweeping past the Comets with a decisive score of 27-13, we outdistanced the Comets 295 yds. to 82 yds.

With the Chanute victory to back us, we invaded the den of the Washington Wildcats. We played a top-notch game with a final score of 26-0. Don Beal scored the 1st two touchdowns on "freak" plays, running 49 yds. on a Wyandotte fumble and 12 yds. on an intended pass play. Tom Howerton took a hand-off from the 6 yd. line for the 3rd tally; and Don Leever plunged 1 yd. after his 18 yd. pass to Bob Purnell, for the TD.

Our 3rd game, which was supposed to have been our homecoming, would have been played against Leavenworth. However, since our field was a mud puddle from a week of rain, the Leavenworth game was postponed. Finally, both the game and the series were cancelled altogether.

This year Wyandotte spoiled S. M. North's Homecoming with a 26-13 victory. Gary Richardson recovered a North fumble and Loving carried it for the 1st TD. A minute later Bob Nickels picked up another North fumble and ran 26 yds. for a TD. Beal intercepted a pass and ran 45 yds., then Nickels carried for the 3rd tally. The final Bulldog score was made by Loving on a 46 yd. off-tackle jaunt.

Wyandotte's Homecoming game against North K. C. and only test against Missouri football ended successfully in a 12-6 triumph; thus Wyandotte remained the only unbeaten, untied team in the Kansas City, Kansas area. Held on the North K. C. 2 ft. line, Wyandotte received a poor punt and marched 31 yds. in ten plays with Nickels scoring on a 2 yd. plunge. Our deciding TD was sparked by Bill Thomas when he intercepted a Hornet pass and Wayne Loving raced 34 yds. for the tally. Gary Richardson recovered two fumbles and Byron Loudon made several good tackles in defensive play.

Wyandotte played its best game of the season against Topeka Trojans. In his most stunning performance, Don Beal, aided by superb blocking, scored all 4 TDs and gained a total of 393 yds. On the opening kick-off, Don received and made a spectacular 93 yd. run for the 1st TD. Our 2nd tally was racked up when he intercepted a Trojan pass and ran 75 yds. for the score. The 3rd TD was a 9 yd. end run, and in the final score Don ran 88 yds. on an option play. Jeff Wilson made all four conversions and final score was 28-14. The following boys were defensive stand-outs: John French, who made ten unassisted tackles; and Willie Vaughn, Brian Kelly, Marshall Guyer, Bob Angle and Dave Kerr made key blocks for Beal's runs.

By defeating the highly rated Ward Cyclones, the Wyandotte Canines copped the mythical City Championship Crown. John French pounced on a Ward fumble to start the scoring drive. A beautiful faked punt and a hand-off to Beal for a 29 yd. gain, and Loving connecting on a jump pass to Gary Richardson in the end zone resulted in our 1st TD of the evening. After recovering a Ward fumble and receiving a pass from Leever, Don Beal was wide open for our final score. Outstanding recoveries and tackles were made by Bill Daughaday, Paul Serwon, Gary Lockwood, Brian Kelly, and Willie Vaughn. The final score was 13-7.

Traveling to Lawrence to play the Lions, the 1st team in the state, was our most disappointing game. More than 9,000 fans watched as Lawrence scored its 1st TD. Then Wyandotte drove to the Lawrence 1 yd. line, and unable to find a hole in the Lawrence line, Wyandotte gave up the ball on downs. With the opening of the 2nd half, the score was standing at 7-0, the Lions drove steadily on to a 33-0 victory. Good defensive tackles were made by John French, Karl Heath, Paul Serwon and Willie Vaughn. All punts were made by Gary Meggs, who has done an excellent job.

After our loss to Lawrence, we tromped Shawnee Mission East for the Sunflower League Championship by a score of 20-7. Played in almost sub-zero weather, both teams wore gloves. Brian Kelly recovered a fumble in the Wyandotte end zone to initiate Bulldog scoring. Then Don Beal scored on a 53 yd. run from scrimmage. Larry Payne, substituting as signal-caller for Don Beal who was temporarily injured, charged for a 9 yd. gain. "We're still trying to figure out what play he called!" commented assistant coach Sheffield. The evening's biggest disappointment was Gerald Hay's 91 yd. TD run, called back due to Canine illegal procedure. Wayne Loving's intercepted pass and 74 yd. run resulted in our final TD and closed the 1959 football season. Excellent defensive plays were made by Bob Stanley, Tom Taylor, Don Lightfoot, and Bill Thomas — who made 14 tackles. John French was permanently injured in this closing game.

Head Coach Ed Ellis has now ended his 23rd football season and was supported by Assistant Coaches Ray Cox and Charles Sheffield. The new assistant coach is Butch Hughes, an All-City Guard on Wyandotte's 1954 football team. Congratulations to the coaches for a splendid job! Congratulations also to the out-going co-captains of the 1959 season, Don Beal and Gerald Hay for a job well-done; and to the incoming tri-captains of the 1960 season—Gary Lockwood, Wayne Loving, and Byron Loudon with a wish for continued success. Thanks also to the grand managers Terry Mahany and Larry Bartlett.

The following boys were chosen for the various all-star teams: All-City, first team—Don Beal, Brian Kelly, John French, Dave Kerr; second team—Gary Richardson, Willie Vaughn, Bob Nickels, Wayne Loving. All-Sunflower, first team—Brian Kelly, Don Beal, Bob Angle, Willie Vaughn; second team—Dave Kerr, Bob Nickels. All-Area, first team—Don Beal, Brian Kelly, John French, Dave Kerr; second team—Willie Vaughn; Honorable Mention—Gary Richardson, Bill Daughaday, Bob Angle, Wayne Loving, Bob Nickels. All-State, first team—Dave Kerr; second team—Willie Vaughn; Honorable Mention—Bill Daughaday.

Desire, determination, speed: These are the qualities that have made this year's Cross-Country Squad the best in Wyandotte's history. With only one loss Coach Swaim's speedsters placed third in the state meet at Wichita, and for the first time took the Sunflower League championship at Topeka.

The Jogdogs started off the season with a loss to Haskell Institute, although Chuck Madden, whose time was 9:39.5, placed first in the meet and set a new school record. The old record which had been 10:07 was also made by Chuck in 1958. Also making a fine showing in this meet were Paul Altenhofen and Ed Kriss. Wyandotte came back in the next meet and won over Westport of Kansas City, Missouri, which had come in second place in the Missouri State meet. Wyandotte placed third in the Shawnee Mission Invitational where fifteen teams competed. Chuck Madden took first place over Bob Ware of Wichita East who was State Champion in 1959. In the Emporia High Invitational, Wyandotte came in second with Wichita East coming in first. Chuck Madden, John Lawson, and Paul Altenhofen were the Bulldog standouts.

In the Regional, which has held at Lawrence, Wyandotte won second place with 40 points, only two points behind the Haskell Indians. Chuck Madden came in first with Ralph Gudgel, John Lawson, and Paul Altenhofen ranked among the top ten runners.

These records show that we can be proud of these Cross Country Bulldogs. We congratulate you for a fine record.

wyandotte waterdogs

By Shirley Lorton

Of last year's fifteen lettermen, only four returned; therefore, this year was largely one of rebuilding the team under the guidance of Coach Del Norris. Along with the returning lettermen — Dale Barnett, Rusty Lynn, Don Lightfoot, and George Gosney — the responsibility of building up points fell to the more numerous juniors and sophomores.

The 1959-1960 swimming season began December 11 with the intra-squad meet. Headed by this year's captains, George Gosney and Dale Barnett, the two teams fought it out with Gosney's team emerging victorious. In the annual Varsity-Alumni bout, Wyandotte's varsity followed the precedent set by past varsity squads and lost to the alumni.

Wyandotte's Waterdogs began the conference season with a win over Shawnee Mission East of 52-43. This win sparked enthusiasm as the team traveled to Topeka for the second Sunflower League meet. The Trojans won however, by a decisive score of 75-25.

Two days later, the Canine Finmen traveled to Wichita for a Triangular with Wichita East and Wichita Southwest and met with their second straight defeat. Wichita East finished first with 93 points, Wichita Southwest grabbed second by a score of 55 and we finished third with 20 points.

In a mighty display of strength, the traditionally powerful Coffeyville swimmers handed up our third consecutive defeat, by a score of 75-20.

Unable to stop the charging Trojans, the Waterdogs were defeated by Topeka for the second time this season, with a final score

of 57-38.

The Finmen then showed a new surge of tremendous power and dumped Shawnee Mission North by a terrific score of 72-23.

Our following meet with Wentworth Military Academy was lost by the slim margin of 4 points; we lost 41-45.

Once more the Waterdogs traveled to Topeka, this time for a Sunflower League Meet against Shawnee Mission East, Shawnee Mission North and the host team, Topeka. Topeka again showed tremendous strength and placed first with a score of 105, Shawnee Mission East and Wyandotte tied at second with 38 points each, and Shawnee Mission North trailed with 5 points for third place.

Swimming against Emporia in a Sunflower League meet, the Waterdogs burst forth to win by a score of 73-21.

In a rematch with Wentworth Military Academy, the Waterdogs gained revenge for their prior defeat and drowned Wentworth 59-36.

Wading down Wichita, the Waterdogs lost two consecutive meets, the first to Wichita East by a score of 18-77 and the second to Wichita North by a score of 57-24.

Winding up the season at the State Meet in Wichita, Wyandotte's Dale Barnett scored fifth in the 100-yd. breast-stroke.

With a large crop of fifteen returning lettermen, the 1961 Waterdog team shows great promise.

tumbling

By Sammie Sue Hoggard

Started in the early 1920's as an interscholastic sport, tumbling was abandoned at Wyandotte during the 1930's and the 40's. In 1947 Mr. Orville McHenry revived the sport at Wyandotte. The tumblers, although they no longer compete with other schools,

give a number of exhibitions every year. During halftime of various home basketball games, you can see the tumblers exhibit their ability and skill. Special letters are awarded to members who qualify for them. This year's captain was Bill McCoy.

"WE TOOK STATE! FOUR YEARS STRAIGHT"

By Shirley Lorton

They said it couldn't be done, but three years ago Wyandotte proved them wrong and took the State Championship—undefeated! They again said it couldn't be done, and we again proved them wrong this year when Wyandotte became the first school in the history of Kansas to be Class AA State Basketball Champions for four consecutive years! The Canines also chalked up another record this year when we became the first school in the history of Kansas to have six Class AA State Basketball Championships accredited to them.

With three returning lettermen Wyandotte rolled over Lawrence in the opening game with a final score of 48-25. This was the first time in three years that Wyandotte had won its opening game. Our second game against Washington was not so easy, but Wyandotte was again victorious with a close score of 25 to 22.

Our first away game of the season against Shawnee East, we lost by a decisive score of 68-54. This was also the Canines' first league play defeat in four years. However, the Bulldogs bounced back and won the next three home games. First we beat Ward by a score of 55-49, with Richard Jenkins copping high point honors with 23 points and Harry Gibson a close second with 19. Then the Bulldogs clobbered Newton, 57-37, and Topeka, 47-31. These victories zoomed our home court winning streak to 55 straight and kept us in the race for the Sunflower League crown.

Our two next away games were good scoring games for both teams. In a tight game against Argentine the final score stood at 43-41. Next we scaled the S.M. North Indians, 48-40—led by Harry Gibson who scored 17 points and grabbed 19 rebounds, Terry Hammons who scored 12 points and Ron Shanks who tallied 8.

Next Wyandotte proceeded to the Parsons Invitational where the Canines were victorious after wins over Salina, 61-37, and Wichita North, 62-49. Harry Gibson starred in the Wichita North game by netting a handsome 27 points and grabbing 17 rebounds.

Entering the Wichita East game there, with a 9-1 record, Wyandotte was again handed a defeat by a team named East, 39-52. However, the Cagers bounced back to win over the Washington Wildcats for the second time, 58-29.

The Wyandotte "Big Red" then played the biggest rematch game of the season against S.M. East. Wyandotte's win of 60-48 afforded many advantages: (1) it extended our home court victory skein to 57 straight, (2) gave us the undisputed first place in the Sunflower League, (3) gave us revenge, and (4) presented Coach Walt Shublom with the best 37th birthday present he could want!

Traveling to the capital city for a rematch with Topeka, the Canines were led to another "Big Red" victory of 55-27 by Harry Gibson's brilliant 26 point performance. The following night the Canines fell victims to the Hornets and dropped their third game to North K.C., 49-57.

The Bulldogs easily racked up the two next home games against S.M. North, 58-36 and Argentine, 79-48. This advanced our home court winning streak to 60. The Canines followed up these two wins with another victory over Ward, 53-37, at the armory to successfully break the Cyclones ten game winning streak. Richard Jenkins led the way with a 19 point performance, as the Bulldogs copped the city title.

Our record stood at 15 wins, 3 losses as the leaguers entered Regional Tournament play on the Wyandotte court. Wyandotte shook Olathe loose 54-47, while S.M. East downed Rosedale 47-34. Harry Gibson scored 17 points, while speedy Terry Hammons added a sparkling 12 points in the win over Olathe. The inevitable became a reality when we played S.M. East for the final decision as to who was to travel to Wichita for the State Tournament. In a magnificent display of the "Shublom Special", the Bulldogs won the Regional Tournament first place trophy for the eighth consecutive year by a score of 58-39. Screams of joy and delight mingled with freely-flowing tears, echoed in the gym as jubilant fans cheered the teams at the trophy presentation and Wyandotte again looked forward to State Tournament play.

Wyandotte's opening game in the State Tournament proved to be an easy one, we beat Liberal 60-48. Gibson and Hammons stunned the crowd with deadly accuracy scoring 24 and 18 respectively. Our second contest was against Wichita North, rated the best upset threat. We won, however, 50-38, led by the scoring of Richard Jenkins. It was the last game, though, against favored Wichita East that really sparked the whole tournament with intense anxiety. Led by the senior trio—Rich Jenkins, Harry Gibson, and Terry Hammons—plus Ron Shanks, Wayne Loving, John Oman, and Tom Jones, the "Shublom Special" marched to a 44-41 victory and the 4th consecutive state crown!

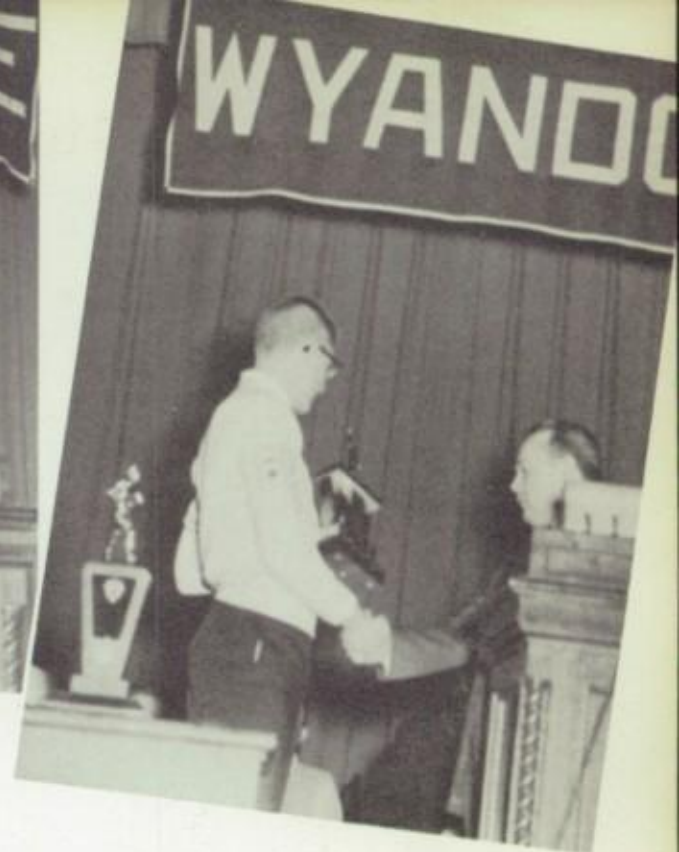

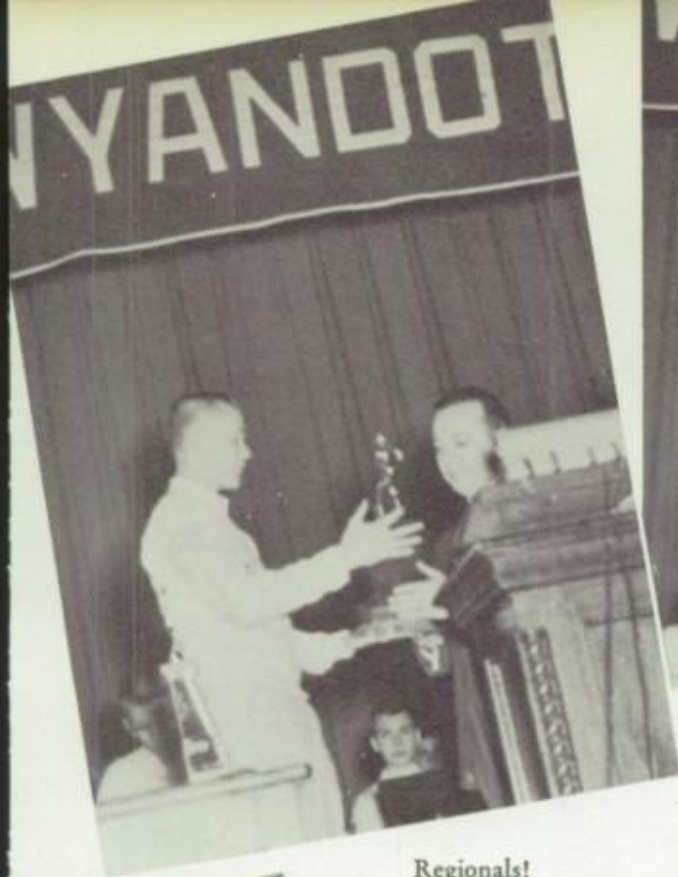

Richard Jenkins again put in his greatest performance and was selected for the all-tourney team for his second consecutive year! Harry Gibson, putting in his usual sparkling performance was our other starter on the all-tourney team! Both boys were well deserving of this honor, as does the whole team deserve a great deal of credit along with "the greatest coach in Kansas", Coach Walt Shublom!

And as John Thomson, the regular guest speaker at our "annual assembly" would say, "Well here we are again—State Champs! Congratulations boys!"

baseball

By Jerrie Sue Trantum

Bolstered by five returnees, Wyandotte's baseball squad, coached by veteran mentor Ed Ellis, goes into the spring campaign in an optimistic light.

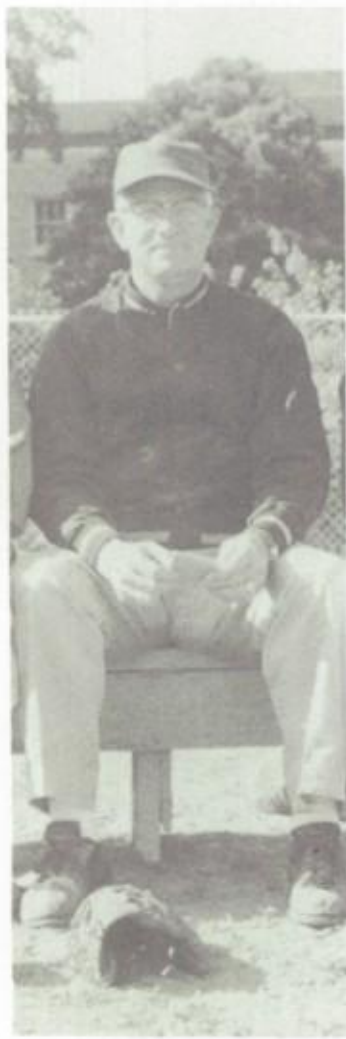

Veterans Terry Hammons and Richard Boyer will captain the team in the return season of Border League Competition. Last year, due to scheduling difficulties, the Canine crew played independently and advanced to the semi-finals in the State Tournament in ElDorado.

Ward, twice victors over the Bulldogs, was knocked out in first round play by Newton 1-0.

The Cyclone squad, with four lettermen back, will form the biggest threat to Wyandotte but are accompanied with two other league powers in North K. C. and Topeka.

Diamond advantages for the Canines will depend strongly upon the veteran quintet of Terry Hammons, and Don Beal in the outfield, Ron Greer and Larry Payne on the infield, Richard Boyer behind the plate, and Bill Thomas on the mound.

On pre-season outlooks, Coach Ellis points out the will to work as the decisive point this year.

Captain Whitaker, Coach Starbuck, Captain Holbrook.

Under Coach Starbuck's guidance this year's golf team will begin its season with three returning lettermen; Reid Holbrook, Bruce Smith, and Richard Whitaker. Holbrook and Whitaker will act as co-captains.

Last year the golfing Bulldogs won 9 of 11 dual meets, placed second in

several invitational meets and missed qualifying for the State Meet by 1 stroke. Reid Holbrook was the Eastern Regional Champion both in 1958 and in 1959.

Coach Starbuck has scheduled a season of strong competition again this year. Good luck Bulldogs.

state indoor track champs

By Jan Zimmerman

Wyandotte's Cinderdogs, not to be outdone by the basketball team, put on a driving, all out effort to win the State Indoor Track Meet at Manhattan with 37½ points. Bill Daughaday took first in the shotput at 51 feet 5¾ inches, and Bill Selbe won the 440 in 52.5. Six second places were won—Charles Madden in the mile, Ralph Gudgel in the 880, Bill Murrill in the polevault, Bill Selbe in the 60; the medley relay team of Jeff Wilson, Ed Kriss, Bill Selbe, and Sylvester Lewis; and the mile relay team of Charles Woods, David Coleman, Charles Hobson, and Sid Korn. Robert Wesley was fourth in the broadjump, and Ed Kriss tied for fourth in the 440.

Prospects for this year's track team are brighter than ever under Coach Francis Swaim's capable leadership. This year's team retains last year's depth in the field events, and has added strength in the sprints. Wyandotte is expecting great things of its returning lettermen: David Kerr, Bill Murrill, Bill Daughaday, Ralph Gudgel, Ed Kriss,

John Oman, Chuck Madden, Jeff Wilson, Robert Wesley, Paul Altenhofen, Harry Gibson, Charles Hobson, Bill Taylor, Sylvester Lewis, Clark Mandigo, Don Lightfoot, and Sid Korn. Also expected to come to the top are David Coleman, Gary Richardson, Charles Woods, Tom Taylor, Jim Oberg, Terry Patterson, Jim Ray, Benny Porras, Marshall Guyer, and Bill Brenner.

Last year's team was second in the State Outdoor Track meet, with David Kerr, Bill Daughaday, Bill Murrill, Junior Thiry, Bonnie Rambo, Tom Korn, Mike Babick, George Lewis, Tom Ludwick, and Don Marquis earning our points.

This year Wyandotte expects Coach Swaim and his assistant coaches—Charles Sheffield, John Hurst, Ray Cox, Don Kyle, Lester Ramsey, and Donald Darnell—to lead the Cinderdogs to many victories and we wish them much luck toward this goal.

The Vocal Music Department under the Direction of Miss Theis is one of the most busy organizations at Wyandotte. It consists of three parts—the A Cappella Choir, the Boys' Glee Club, and the three Girls' Glee Clubs. These groups present many programs before the student body and also for various

civic clubs, churches, and special community programs during the year. The vocal groups also have an important part in the Christmas Assembly. This year the bi-annual Variety Show was presented. In the spring the choir and glee clubs take part in all programs connected with graduation.

symphony orchestra

by Carol Keltner

Wyandotte is very privileged to have an outstanding instrumental department. The orchestra under the direction of Mr. R. A. Samuelson consisted of almost eighty members. Leading the orchestra as concert mistress this year was Alice Joy Mackish. The orchestra performs at every school play, the

Christmas Assembly, the Operetta, the Baccalaureate Service, and the National Honor Ceremony. This year's officers are president, Dale Ritter; vice-president, Tom Fichtner; secretary, Elaine Braly; treasurer, Jerry Prichard; sargeant-at-arms, Roy Hotzman and Barry Dugan.

marching and concert band

by Carol Keltner

Skill and versatility are the qualities that make the Marching and Concert Band one of the most enjoyable music groups. Nothing is quite so thrilling at the football games as to hear the crash of the symbols and the shrill sound of the head majorette's whistle as the band comes marching down the field. Other activities of the band, more on the serious side, includes playing in the spring concert and grad-

uation. This year the group was chosen to play for the dedication of the new Agriculture Hall of Fame. The band is under the direction of Mr. Samuelson. Officers for this year are the following: president, Garry Doolittle; vice-president, John Young; secretary, Bob Kyner; treasurer, Jim Cox; Sergeants-at-arms, Dave Miller and Georgadine Basler.

CLARINETS: Bill Durrant, Iverson Browne, Pat Converse, Phil Green, Betty Pike, Joyce Russell, Betty Reeves, MaDonna Ray, Peggy McDaniel, Rosalie Huscher, Ronnie Verkler, Sharon Bryant, Larry Simpson, Jerry Simpson, La Veta Krueger, Vickie Taylor, Georgadene Basler, Linda Bray. SAXOPHONES: Larry Henak, Ronnie Holmes, Paul Mitchell, Clyde Millstead, Donna Hendon, Jim Laird, Gary March, Bob Painter. FRENCH HORNS: Norman Morasch, Delores Carlson, Jackie Slagle, Sonja Mountford, Jim Tharp, George Bruner, Robert Timmerman, Bill Stewart, Sharon Redmond. BASSES: John Kent, Ronnie Jones. class ring

by Shirley Lorton

Tobey Heydon, a laughter-loving seventeen year old, accepts Brose's class ring, seemingly ending all her problems. However, a long standing date with Dick, a "college man," spells trouble since Brose thinks that "going steady" means no other dates. Then Tobey's mother is unexpectedly called out of town leaving Tobey to run the house and cope with Dad's "Comprehensive Schedule for Efficient Homemaking." To top it all, Tobey gets the lead in the high school play opposite Kip Fairbanks, which means special rehearsals with the school Romeo. Midge, Tobey's younger sister and a cowgirl at heart, adds her own touch by making a broad farce of an important rehearsal before a big producer by pretending to be a horse. But all ends well, and Tobey and Brose realize the true meanings of going steady. Mr. William Knapp was the director; Carol Deck was the student director.

the egg and i

by Sammie Sue Hoggard

The Egg and I, adapted from the book by Betty MacDonald, was presented by the senior class. It was directed by Mr. William Knapp with Sharon Wiber as the student director. Trouble begins when Don buys a chicken farm in the mountains. Anne, their daughter, has her eye on Thad, a next door neighbor and a chicken expert, while Joan, her younger sister, feels as though the world has come to an end. All their time is devoted to chickens and Don is more concerned with them than his own family. He buys a new brooder house for the chickens; but for Betty and the girls, indoor plumbing is too expensive. Disaster looms as failure threatens the farm. Family difficulties, Indian visitors, and skunks all went together to make the play an arousing comedy.

drama club play

By Kay Jarvis

The Trail of the Lonesome Pine, presented by the Drama Club, was the story of a young mountain girl whose romance with a visiting northerner was hampered by her backward mountain life. Dale Brownawell played Jack Hale, who came to the Mountains from the North

to enforce the law. A feud between the Tollivers and the Falins comes between Jack Hale and June Tolliver, played by Marilyn Scott. The feud is finally resolved, after various other complications, opening the path for Jack and June to be married.

debate

By Dianne Karnaze

LEFT TO RIGHT: Mr. Jensen, Ellis Brown, Bill Isenhour, Dean Lebestky, Dale Brownawell, John Stephen, Ed Kriss.

What are the qualities of a good debater. As a debater would probably say—persistence, patience, and preparation are the ingredients which determine a successful debater. Every year members of Wyandotte's potential debate team spend long hours preparing their cases for the coming year's tournaments. This season "Resolved: that the Federal Government should substantially increase its regulation of Labor Unions" was the topic of all high school debaters.

Wyandotte's Barking Dogs started the season off right by taking fourth place at the Russell tourney October 16-17. Bill Isenhour and Philip Miller were the winners. Wyandotte was also represented at Fredonia on October 17. Then came the Fort Scott and Washington invitational later in October. Next followed the Shawnee East and Topeka meets in November.

Following a period of tranquillity, the young (novice) debaters returned from Lawrence with a first place trophy. Twelve Bulldog novices attended a meeting and were led to victory by Madlyn Chelensnik and Murphy Phillips who had a 5-1 record, Jim Tharp who rated as the best affirmative speaker of the tournament, and Cal Winter who ranked as top negative speaker. Highland Park,

Pittsburg, the Sunflower League Meet, and William Chrisman followed. January 8-9 Wyandotte's Tongue-twisters entered tournaments at North Kansas City, Emporia, and Rosedale. John Stephens and Dean Lebestky won second place and individual medals at NKC. Another tournament at Shawnee North and the National Forensic Meet at Wyandotte completed the regular season.

Wyandotte took first place at the annual State District Debate Tournament at Wyandotte January 22-23. Ed Kriss and Dale Brownawell, affirmative; and Bill Isenhour and Ellis Brown, negative; earned a place in the state finals at Emporia.

We are all proud of Wyandotte's outstanding debate coach, Mr. Leonard Jensen, who recently was awarded a special citation by the National Forensic League. Mr. Jensen had earned a second diamond for his NFL pin. This diamond is symbolic of 3000 coaching points, the equivalent of 30,000 student points.

Congratulations to Mr. Jensen and all of this year's fine debaters for representing Wyandotte well.

—And thus in this new era of the Sputnik, Atlas, and orbiting spheres around the earth, moon, and sun we proudly watch the 1960 Quiverian leave its launching pad to seek an orbit. Since it is a story of you, at work, and at play, in your school, the orbit is a circle around your heart holding the dreams, hopes, and joys of this particular year within its pages for your enjoyment all the days of your life.

We have eagerly watched it grow from page and picture number one to the final line and space. We present for your approval several innovations in color and composition. By careful editing we have tried to make this Quiverian a true and faithful picture of you at Wyandotte in 1960. It has been so long a part of us we leave it now with a feeling of loss, but with a sincere hope it brings you some part of the pleasure that it has given us as its editors.

The National Quill and Scroll, an honorary society, is the most sought after and the highest achievement of a high school journalism student. To become a member of the William A. Bailey Chapter of Quill and Scroll, each student must meet certain requirements. A display of the qualities of leadership, the willingness to work in harmony with others, scholastic record, staff position, number of points in journalism, recommendation by the sponsors, Mr.

Naylor and Mr. Tharp, and acceptance by the international secretary are the requirements for membership. Candidates for Quill and Scroll must be of good character, working for the best interest of their school publications, and maintain satisfactory grade average in all subjects. The officers this year are: Bill Isenhour, president; Ann Fothergill, vice-president; Sharon Roberts, secretary; Roy Inman, treasurer; and Dennis Bowers, sergeant-at-arms.

radio production

By Sammie Sue Hoggard

Through the limited medium of radio, the Wyandotte players learn to project themselves as actors by the voice only. No scripts are memorized. Each student tries to become an artist at reading in a conversational tone so that the listener gets a true-to-life impression. Each week the members of Radio Production record a fifteen-minute play at KCKN. The play is broadcast on Sunday. Since there are sixteen shows, each student gets a quantity and variety of roles. In addition to acting experience, the students learn radio terminology, sign language, and the art of script adaptation. Some students even write original radio plays. Mrs. Dolores Johnson is the teacher and sponsor.

Dear Betty,
After all our chats (and complaints) our high school career is finally over. All in all its been "one big blast." What with journalism, church, the Bible T's and everything else - its really been an experience.

You've been such a success and I know that the future can hold nothing but more success for a girl so talented, friendly and wonderful as you are. I know you'll love Y.N. and don't be at all homesick at sophomore the world is teeming with love that all men share. Please come home. Please take good care of

I know you'll love Y.N. I'm surprised if you've they're is nothing in that I can make more than you. Only hope to dream and believe in the future. "I'll be there."

Homecoming festivities were heightened by a semi-formal dance which was an added attraction this year. The identity of the Queen and Princesses was kept secret until the night of the dance. All the attendants were escorted into the gym and introduced. Queen Linda Waters and Princesses Becky Goodbar and Shirley Lorton were then announced and crowned. The royalty then reigned over the rest of the dance. Later in the football season the honored three reigned over our Homecoming game with North Kansas City. After being introduced during the half-time, they watched the parade of floats entered by twenty-two clubs.

Dear Carol,

Here we are ending a year full of more going than anybody could fill a cattle truck. I shudder when I think of the party and senior girl. I'm sure you'll be for in the senior world. I think for the advice you're written for me and the letter, too. I deeply hope that you will be happy and successful in every thing you do. I hope that you will make some lucky fellow very happy. I hope that you will be as thorough as me; we can be good friends; and we've been through to me, you've done on college vacation. Please come see me when you're home on college vacation.

senior class history

By Sammie Sue Hoggard and Dotty Simpson

As we journey along life's roadway we will always carry with us part of our high school career in the form of memories. For us these memories began in the fall of 1957 with our arrival at Wyandotte. We felt pretty important although we were only sophomores. We had finally made it to "Big Red". This was a year full of new friends and new experiences—football games; homecoming; Christmas formal; Honey Hop; the plays; state tournament, along with the fabulous yell "We took state in '58"; Quiverian Catch-up; and many other wonderful experiences. Our officers for the year were Gerald Hay, President; Larry Blowers, Vice-President; Nina Matsukevich, Secretary; and Judy Farmer, Treasurer.

Our second year at Wyandotte brought more new friends, new classes, harder homework, a greater interest in sports, and along with this another trip to state. During our junior year we attended our second Christmas formal, the Starlight Ball, more K. U. Assemblies, along with our own talent presentations, and the passing of the robe in which we received the responsibilities of becoming

the seniors of 1960. Our junior class officers were Ron Marsh, President; Richard Jenkins, Vice-President; Marilyn Mahale, Secretary; and Karen Daly, Treasurer.

Heading our senior year as class officers were Harry Gibson, President; Terry Hammons, Vice-President; Sharon Fenton, Secretary; and Nancy Hatfield, Treasurer. This was the best year of all, as suddenly we became the upper-classmen. This year it was from our class that the queens and king were selected to reign over the festivities. Our class presented the play "The Egg and I" and brought the year to a close with the Senior Prom and the other traditional senior ceremonies.

As a sheet of paper is torn into tiny pieces and scattered into the wind, the class of 1960 will be separated into many walks of life. There will be jobs for many, while others will go on seeking a higher education. But no matter what we do in later years, these are some of the events that will live on in our hearts to remind us of our three wonderful years at Wyandotte.

national honor society

By Dotty Simpson

In all humility, I pledge myself to be honorable, to serve, to uphold scholarship and thus to keep alive the sacred flame. This is the pledge which each member of the National Honor Society vows to follow throughout his lifetime.

Anyone in the upper third of the Senior Class is eligible for membership and of these, 15 per cent are chosen as life members for their outstanding abilities in Scholarship, Leadership, Character, and Service.

we're the seniors

It's bigger than both of us

Leap year king!?

MMMM—Sweet Nothings

Quiet—genius at work

Have antenna—will travel

Me want Tom-Tom!

Man, like wow!

Life in the jungle

Oh, what a tangled web we weave!

mighty, mighty seniors

Why?

Dear Carol,

Let me add to many others my congratulations on a high school career well-done. Your outstanding work as a cheerleader, staff member of the Pantograph, debater, and participant in many other activities - while at the same time making good grades - is an accomplishment to be proud of.

Yours is certainly a future to look forward to. I feel confident that you - with your many talents, intelligence, pleasing personality and good looks - will be a natural success in whatever you undertake.

I sincerely hope that college will bring you as many good things as high school did and also that this young lad will have plenty of time to visit you fair maiden - from Corbin.

Best wishes always,
Dale

Carol —

I refuse to write on type paper
Anyway... Although I don't always
approve of your actions, I am
reluctant to admit that you
have made a success of high
school -- evidence your list of
activities. Placing all prejudices
aside I might even say that
you deserve commendation, and
that I know you will have
a successful ~~high~~ college career.
I could, of course, give you
all kinds of advice, but that's
Bull so I will wish you luck
and all that rot.

You're a regular guy
Luck
